**President's Message:**

Our **monthly meeting is Wed. July 20<sup>th</sup>** at 7: 30 am at The Overlea Fullerton Senior Center located at 4314 Fullerton Avenue (21236). Guest Speaker will be **Bob Paff**; Robert M. Paff, CLTC President of Integrated Benefits Corporation and also the local face and host of the event. <http://www.smallbusinesssurvivalsummit.com>. With over 30 years of experience, Bob Paff motivates professionals from all walks of life; teaching them that the core of business and personal achievement is not about transactions and commissions. It's one of marketing, sales, relationship building and a confident, polished self image! <http://www.bobpaff.com>. Our meetings are always "open". **So bring a business neighbor and plenty of business cards because "every meeting is an opportunity"** *Note: this is a change of time from the norm.*

Thanks to everyone who help in each and every way to support this years annual 4<sup>th</sup> of July Independence Day Celebration. It was awesome and the skies were ablaze with color. Special thanks to Nick of [www.patch.com](http://www.patch.com) for posting the awesome video clip. Overlea Fullerton totally rocks when it comes to this event and every donation helped make this year's event a huge success! Next year is the 50<sup>th</sup> anniversary of this proud tradition and we will be asking everyone to get involved to help support this event moving forward!

**WELCOME**

We would like to **A Wicker Connection A**—yes right next to Bob's Wholesale Seafood Company on Belair Road (near the corner of Putty Hill) and **Verizon Wireless** in the Beltway Shopping Plaza (old Blockbuster). Also welcome **Steve Largent the new proprietor of the Outback Pit Beef Hut** —better known as Overlea-Fullerton's only pit beef stand (behind the Fullerton Pub & Restaurant). Steve has new and improved hours including staying open to 7 pm and open most days—not just the weekends. If you know of a new businesses on our corridor, please let us know so we can stop in and say hi!

Remember those membership cards you got in your welcome and renewal packets—you may want to "find it" as we are working with Steve in the next few weeks to offer our OFBPA members a discount at his store for just showing your OFBPA membership card!

We would like to welcome our newest member the **Kiwanis Club of Parkville.**

Will you be in our newest 2011-2012 Business & Community Guide? All members automatically get three free listings and with \$5,000 copies distributed annually throughout the community it could be the best \$75 you ever spent! Everyone has the opportunity to advertise, but all members get three free listing automatically. FATA (the company who produces our directory) will be contacting folks offering ad space and once again be offering a discount to all those talking out ads in the OFBPA Business & Community Guide and the Parkville Carney one. Both will be ready available mid-September. Need to join or renew your membership? Now is the time! Forms are available online at [www.ofbpa.com](http://www.ofbpa.com). Networking with the OFBPA has become a valuable resource for our members. As a member, the visibility and involvement in the community are reasons why our membership continues to grow.

**Member Benefits:**

- Free listing in the Business Directory & Community Guide 2011 (new directories published 8/2011)
- Free Website listing

**Address:** 8027 Belair Rd Nottingham, MD 21236

**Phone:** 410-661-5910

**Details:** love this place! - The Fullerton Pub & Crab House Nottingham, 21236

The Fullerton Pub & Crab House 5 loves this place!

This place is great, kinda one of those bars that everyone knows each other, and you always feel welcome there. I'd like to start off by saying the bartender Mike is an awesome bartender, he's quick and always on his game when it comes to work and getting people their drinks, one of the best bartenders around in my book! Now I would like to say The Down Under Restaurant is amazing, the food there is just out of this world good! I can't help but say I'm hooked I go up there sooooo much for their food!

### I had a Great Experience at De Niro's

My goodness, I just have to say that we have been greatly impressed with the pizza at De Niro's. We had always ordered from Pizza Hut in the past, but no more. Several times now we have ordered from De Niro's and they have been consistently so much better the Pizza Hut. De Niro's pizza is like the pizza I remember as a child-very thin crusted, succulent- the kind that you want to flip in half. The kind I remember having at pizzeria's back in the day. Prices are fine as well as the delivery time.

## Community Announcements

### MVA Emergency Contact Option

Maryland's Motor Vehicle Administration (MVA) announced it has added an emergency contact option to Maryland driver's licenses. Maryland drivers can now add three emergency contacts to their driver's license so police will know who to call if an accident occurs. The emergency contact information is stored electronically on an individual's driver's license and will be available only to authorized law enforcement personnel. You can go to MVA's website and add your three emergency contacts in just a few minutes. Click here to go directly to the MVA website, click "Account Management" and then click "Emergency Contacts Management" to add your emergency contacts. Please pass along to your family and friends as well...it's worth it!

## **HOW TO PREVENT LARCENY FROM AUTOS**

Mike Hilliard Community Services Director HARBEL Community Organization

This crime involves thieves entering cars and removing items from the car's passenger compartment. A car's passenger compartment is encased in glass. This allows the driver to see out of the vehicle so that it can be properly operated. It also allows thieves to see anything of value in the car, and all they need to do is break the glass and remove it. The passenger compartment of a car is not a safe place to store any item of value. Criminals particularly will steal GPS devices, cell phones, lap tops, "handicapped placards" that are hung from interior review mirror attached to the car's windshield, and cash, particularly change, from cars. It is best to secure these items in your home or office when not in use, or at least place them out of view, in the trunk of your car. This crime is largely preventable. Frequently all we need to do to stop it is to secure our valuable items outside the passenger compartment of our cars. Most importantly, **ALWAYS LOCK YOUR CAR.**

Thieves will also look for signs that a cell phone or a lap top is in a car. If they see a cell phone or lap top power cord in the car's power port in the dash, they may break into the car in an attempt to locate the cell phone or lap top. Please do not leave your cell phones or lap top's power cord plugged into the car's power port. Secure it out of sight when not in use.

Thieves will look for signs a GPS device is in a vehicle. If there is noticeable suction cup mark on the windshield, they may break into a car hoping to find a GPS device. If you use a GPS device, you might consider utilizing glass cleaning wipes to periodically remove the marks a suction cup will leave on your windshield.

Thieves are increasingly removing catalytic converters from the exhaust systems of cars. The converters contain platinum beads, and when disassembled by a scrap company, the platinum can be sold for a substantial amount of money. Try to park your car in a well-lighted area, and if you see people under a vehicle, please call 911. If you people unfamiliar to you walking down the street looking into cars, they may be surveying potential targets of this crime. Please call 911 immediately. Even if the police do not respond in the expected time frame these calls are logged, mapped, and monitored by the police. Your call will alert them to a potential problem in the area.

## **Follow-up meeting on Perry Hall Business District**

Published: Wednesday, June 29, 2011 9:25 AM CDT

County Councilman David Marks (R-Fifth District) will hold a meeting on Tuesday, July 19 to discuss how businesses can take advantage of the new Perry Hall commercial revitalization district. The meeting will start at 6 p.m. at the Perry Hall Elementary School library (9021 Belair Road). Baltimore County Planning Director Andrea Van Arsdale will join Councilman Marks. Earlier this year, the County Council passed legislation sponsored by Councilman Marks that created the revitalization district. The district stretches along Joppa Road from Seven Courts Drive to the Belair Road traffic signal; along Belair Road from Blakeley Avenue to Minte Drive; and along Ebenezer Road from the traffic signal to Yvonne Avenue. "Thanks to this legislation, business can qualify for incentives that give them a little extra help in this tough economic climate," Marks commented. "There is no requirement that businesses in this district participate, but it's an option they may wish to pursue." Councilman Marks has been actively meeting with the owner of the Perry Hall Square Shopping Center and hopes to provide an update at this meeting. The July 19th meeting is open to the public, but business owners from the revitalization district are particularly welcome to attend. If there are any questions, please contact Councilman Marks at [dmarks@baltimorecountymd.gov](mailto:dmarks@baltimorecountymd.gov).

**OFBPA Event Calendar**

You may have noticed the addition of a calendar link on OFBPA's webpage (see image above). When clicked, this image opens a shared Google Calendar that displays calendar entries from OFBPA, Linover Improvement Association & Fullerton Fireworks. This calendar will be used going forward as a reference point for major scheduled events for these organizations.

In an effort to share as many events as possible with our readers, we're opening the calendar to other business-related events. Hosting a networking event? Or a speaker? Maybe a fundraiser at your place of business? Please tell us – we'll include it on the calendar. As well, if space permits (and the timing is right), we'll note the event in our monthly newsletter.

If you have event updates that you would like OFBPA to share on our webpage calendar, please provide the following info via email to [ofbpa@stingraysocial.com](mailto:ofbpa@stingraysocial.com) at least ten business days prior to the event date (that's two weeks by calendar not including Sat or Sun.)
