**President's Message:**

The dog days of summer have hit us with a vengeance. This early summer heat has zapped all our energy making it difficult to be outdoors for any length of time. What a wonderful time to grab all those business cards from all those networking events you've attended and either log them into a database so you can run labels for a mailing or send them an email or maybe even a phone call. So stay cool and productive at the same time!

Thanks to everyone who participated in our Spring Fair event. Our local coupon book is a huge success and if you don't have one, please make an effort to stop by Eastern Savings Bank to pick up a copy before they are all gone. We still have approx. 500 left of the original 5000 and if anyone needs more for their customers, please let me know. We encourage everyone to visit our advertisers and take advantage of all the local dining and services coupons in the book.

Special thanks to Dave Foertsch for keeping all our social media pages up to date. View photos from the spring fair on our Facebook page. Thanks to your Board of Directors Kim Durham, Darlene Conner and Sharon Kozlowski for all their hard work on the fair set up and most of all to all our husbands (and my mom and dad) who helped set up and tear down the event. Thanks to members Auggie Chesser who helped with signage and Robert Smith who helped with our OFBPA table.

Reminder that our **monthly meeting is Wed. June 15<sup>th</sup>** at 4: 30 pm at Overlea Station located at 6900 Belair Road (21206). Parking at the Natural History Museum-entrance just prior to corner. For those interested Overlea Station offers ½ price burgers on Wednesday nights. Guest Speaker will be **Steve Janowiak, President of CLUB 10 LLC**; a one-of-a-kind model that helps small businesses and is 100% free and non-obligating for businesses to participate

*Note: this is a change of location from originally posted on our website.*

\$13,000 is still needed for this year's celebration! We need all resources at our disposal. We **are looking for business that will "host" a collection jar for change** until July 5<sup>th</sup>. I would like to place 7+ containers in the area to help collect change from the community. If you do not have a container, have walk-in traffic and can give us a tiny bit of counter space for a few weeks, we would sure appreciate it! Perry Hall and Parkville and Rosedale-we would love to hear from YOU! Even though the event is held in Overlea Fullerton and we take "ownership" of the event, we host over 50,000 people that day from all over NE Baltimore County. The OFBPA provides the plastic container and will collect during the week after the fireworks. **Contact Donna Bethke** and we will drop one off ASAP. Thanks to all the businesses who are hosting one currently!

# WELCOME

We would like to **Bob's Wholesale Seafood Company** across from the Denny's on Belair Road and **SoBo Gold Buyers** located in the Taylor Plaza near Papa John's to our business corridor. If you know of a new businesses on our corridor, please let us know so we can stop in and say hi!

Reminder that all folks who are members by late summer will be in our newest 2011-2012 Business & Community Guide coming out late summer. Everyone has the opportunity to advertise, but all members get three free listing automatically. Need to join or renew your membership? Now is the time. Forms online at [www.ofbpa.com](http://www.ofbpa.com).

She then learned that there were other small business owners who were on that same search. Many were interested in networking events and vending affairs to build sales and new business contacts.

Thus, THE NETWORK's mission was created; We are a network of like – minded small business owners who are interested in connecting with relevant resources via networking events in order to accomplish goals within our individual companies.

Business owners who join THE NETWORK are members of the Board of Directors. The Chairperson, Terrell, and the members plan networking events and vending affairs. ### BALTIMORE COUNTY POLICE CHIEF GETS NATIONAL ATTENTION!

Baltimore County Police Chief Jim Johnson has been chosen to serve as the National Law Enforcement representative and spokesman for the "Click It or Ticket" campaign. On Thursday, May 26, at 10 a.m., Johnson will join National Transportation Secretary Ray LaHood and National Highway Traffic Safety Administrator David Strickland in Washington D.C. for the National "Click It or Ticket" press event. Johnson is expected to speak about the importance of motorists using seatbelts, and how their use and enforcement of seatbelt laws save lives across the United States. The Baltimore County Police Department is known nationally for its leadership in traffic safety and the development of new programs.

### News from *Senator Kathy Klausmeier*

8th Legislative District

My office has received the following information from the Maryland Transportation Authority (MdTA) regarding the proposed toll increase for the bridges and tunnels that MdTA operates and the public hearings that will be held this summer regarding the proposal. If you are concerned about this proposed increase, I encourage you to either attend one of the public hearings or submit a comment to the MdTA during the official public comment period. I have already sent a letter to Governor O'Malley and to MdTA Chair Beverley Swaim-Staley expressing my displeasure with this proposal. In my letter I asked that the MdTA consider the hardship this proposal will have on Maryland commuters.

#### INCREASES FORMALLY PROPOSED FOR MARYLAND TOLL FACILITIES

Plan calls for phased-in toll increases in 2011, 2012 and 2013 MDTA to hold nine public hearings in June; 60-day public comment period now open through 5 p.m. Aug. 1

"By phasing in these toll increases, we are not only giving our drivers and trucking partners the most time to plan as possible, but we are working to simplify our toll-collection process with uniform toll rates at our facilities," said MDTA Acting Executive Secretary Randolph P. Brown, P.E. "Operationally, we're also focused on streamlining the process and eliminating antiquated toll-collection methods and technology, including AVI decals and ticket programs."

A 60-day public-comment period begins June 2 and continues through 5 p.m. Aug. 1, 2011. The public can submit comments for the official record via a web form at [www.mdtamaryland.gov](http://www.mdtamaryland.gov) or by writing to MDTA Toll Comments, 2310 Broening Highway, Baltimore, MD 21224. The MDTA Board also will hold nine public hearings throughout the State to receive public and private testimony on the proposal.

Allied Community Services, Inc. is a non-profit group of volunteer citizens and community leaders, whose sole purpose is to raise the funds needed each year to sponsor this annual event. We are reaching out to businesses, community organizations, and residents, to solicit donations for this purpose. We are aware of the tough economic times, but the Committee really needs your financial support to make this event happen. The fireworks committee receives no outside funding for this event and needs to raise \$30K+each year. The fireworks at Fullerton is steeped in tradition, and draws families from all of our Northeast communities for a day of fun, family and most of all a sense of pride to all who attend. All donations make a difference and ensure that the "show" goes on! Please help keep this tradition ongoing for generations to come.

Opportunities to donate include:

- \* Field Collections on event day
- \* Collection jars in over 40 local businesses
- \* Donations payable to Allied Community Services Committee, Inc. PO Box 19433, Baltimore, MD 21206 OR PAYPAL
